Clarifying the danger of the deviant ideology represented in ISIS and the Rafidah, resultant from ignorance and extremism, upon the Islamic lands.

(By our noble Shaikh: Abu Muhammad Abdul Hameed al-Hajoorie may Allah preserve him)

**All praise is due to Allah the Lord of all that exists and the Salah and Salam be upon the Messenger of Allah, his family, his companions and those who follow him.**

**As for what follows, then that which is being caused upon the Islamic nation by the Khawarij represented by ISIS, Al-Qa'edah and the Rafidah is surely from the grievous affairs; as these are struck upon the nation by the name of Islam and they (I.e. These deviant groups) are far from it (I.e. Islam). As for the Rafidah, then their ideology is known by necessity with every one who has learnt the Salafi Aqeedah (Creed) the people of Hadith.**

**[I (Abu Asma) say: The Rafidah are an extreme Shi'ah group who hold the twelve doctrines and are Kuffar (Disbelievers) who accuse the mother of the believers Aa'ishah radiyAllahu anha, abuse the honour of the Prophet sallAllahu alaihi wasallam, make takfeer of many of the Sahabah including Abu Bakr and Umar - may Allah be pleased them all -, and their Kufr (Disbelief) is worse than that of the Jews and Christians as per what has been stated by some of the scholars.]**

**[The Shaikh's speech continues...]**

**As for the Khawarij , then they are from the most deviant sects and I don't know of the Messenger of Allah sallAllahu alaihi wasallam speaking of any sect as (he did) of them thus clarifying their traits and plots; like what is seen at the end of the Book of Zakat in the Sahih of Imam Muslim and other than it from the sources.**

**[I (Abu Asma) say: The Khawarij are those who transgress the limits of Allah and spill the blood of the Muslims, fight the Muslim rulers, cause chaos and trials upon the Muslims such as the actions of the Al-Qa'edah and ISIS of our time and other than them.]**

**[The Shaikh's speech continues...]**

**And the danger of the Khawarij upon the Deen (Religion) is great and from their most profound traits is (what is seen in) the statement of the Messenger sallAllahu alaihi wasallam: "They would kill the people of Islam and spare the Idolators" and that is due to their:**

**❖ Ignorance**

**❖ Extremism**

**❖ Corrupt Aqeedah**

**❖ Being distant from knowledge and the scholars.**

**And from here I call the Muslims to learn the correct Aqeedah and to be wary of being misled by the people of corrupt Aqeedahs from the Khawarij and the Rafidah.**

**And that which took place of explosions yesterday the 29th of Ramadan in the year 1437 H in the land of the two noble Harams (I.e. Saudi Arabia) is surely from the prohibited matters; both by legislation and intellect due what is contained therein from:**

- ❖ Violation of the Book of Allah (Qur'an) and the Sunnah of His Messenger sallAllahu alaihi wasallam.**
- ❖ Horrifying those who are safe.**
- ❖ Killing of the innocent.**
- ❖ And other than that such as attempting assaults upon those under protection.**
- ❖ And the worst of it is the assault on the Masjid of the Messenger of Allah sallAllahu alaihi wasallam and in the Prophetic city of Madinah portraying the malice of ISIS and those who defend them, upon the lands of Islam.**

**And look to what the Messenger of Allah sallAllahu alaihi wasallam said concerning Madinah:**

**He sallAllahu alaihi wasallam said:**

**"None plots against the people of Al-Madina but that he will be dissolved (destroyed) like the salt is dissolved in water." [Bukhari]**

**And he said:**

**"No one intends ill towards the people of Al-Madīnah but Allāh will melt him in the Fire like lead, or like salt, dissolving in water." [Muslim]**

**And in one narration in Muslim "By a raid or ill"**

**And he said:**

**"O Allah, whoever oppresses the people of Madinah and terrifies them, then cause him to be terrified. And upon him be the curse of Allah, His angels, and all humans. Neither his compulsory nor optional good deeds would be accepted." [Silsilatus Sahihah (of the Shaikh al-Albaani)]**

**And (the evidences) other than these are many, so refer them in the Book of Hajj from the Sahih of Imam Muslim, and Allah is the source of aid.**

**And all praise is due to Allah the Lord of all that exists and the Salah and Salam be upon the Messenger of Allah, his family, his companions and those who follow him.**
